

User Story and Acceptance Criteria for Login Module

Module: Login

Project: Core Banking System – Kongu Co-operative Bank (KCB CBS)

Prepared By: Karthick E

Date: December 2025

Version: 1.0

1. Login screen:

1.1 User Story

As a

authorized user of the Kongu Co-operative Bank Core Banking System (KCB CBS),

I want to

log in to the KCB CBS web application,

So that

I can securely access and perform the banking operations permitted for my role.

1.2 Acceptance Criteria

Given

I am an authorized user with valid credentials,

When

I enter my username and password and click "Login",

Then

I should be redirected to my role-specific dashboard.

2. Forgot Password:

2.1 User Story

As a

authorized user of the KCB CBS who has forgotten my web log in password,

I want to

reset my KCB CBS web login password,

So that

I can securely login and perform the banking operations permitted for my role.

2.2 Acceptance Criteria

Given

I am an authorized user who has forgotten my password,

When

I successfully verify my identity through the reset process,

Then

I can set a new password and use it to log in.

3. First time Setup:

3.1 User Story

As a

Authorized user of the KCB CBS logging in for the first time,

I want to

Complete my initial account setup,

So that

I can securely access the KCB web platform and use the features permitted for my role.

3.2 Acceptance Criteria

Given

I am an existing account holder of the Kongu Co-operative Bank who has not yet registered for online banking,

When

I enter my valid bank account details and successfully verify my identity,

Then

I should be able to create my online banking login credentials and securely login to the platform

4. Two Factor Authentication (OTP)

4.1 User Story

As a

< Authorized user of the KCB CBS logging in using the valid credentials,>

I want to

< Enter the one time password (OTP), which i received to my registered contact number, >

So that

< I can securely access the KCB CBS web platform.>

4.2 Acceptance Criteria

Given

< I am an authorised user of the KCB CBS with valid credentials,>

When

< I log in with my username and password and enter the OTP sent to my registered contact number,I >

Then

< I can securely access and perform the banking operations permitted for my role >
